EmperorTech's EMP1100C Handheld Card Counter receives FCC/ICES certification

EmperorTech Americas is pleased to announce that the very popular EMP1100C Handheld Card Counter has been tested and certified for use in office environment.

This certifies the safe and regulated use of the Card Counter in Banks and Credit Unions at a time when financial cards instant issuance at the branch level is taking place rapidly in North America & globally.

Certification to FCC and ICES is specific for radiated emissions, radiated emissions low frequency and conducted emissions according to the following standards:

FCC 15.107:2016 Class B
FCC 15.109(g):2016 Class B
ICES-003:2016 Class B
ICES-001:2006 updated 2014 Class B
FCC 18.305:2016 Class B
FCC 18.307:2016 Class B
